

Sports and Events Arena

East Kilbride Community Trust (SC040731)

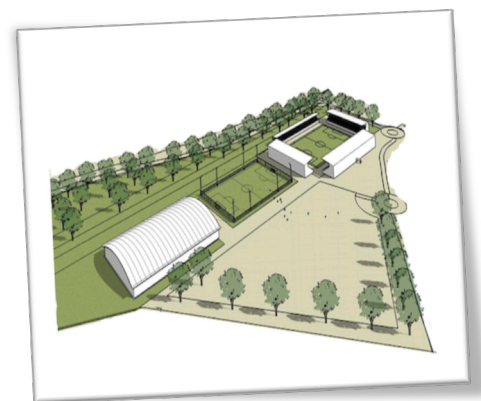

Our intentions.....

The Arena will have international standard training and visitor facilities and will be designed to attract visitors not only from East Kilbride, but from further afield.

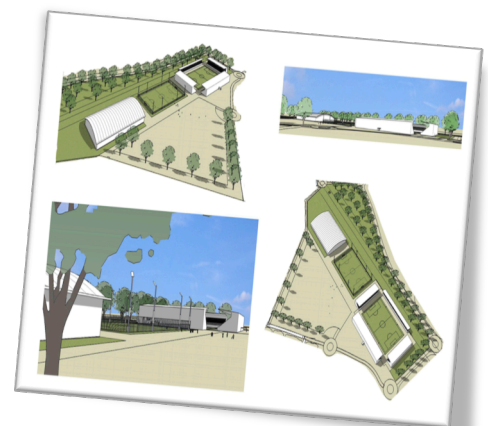

This investment will deliver new leisure facilities, new jobs, training opportunities and community programmes. Social and economic growth will be created.

Every effort will be made to train local residents to give them the best opportunities for employment associated with the facility.

The Arena will attract members of the community by providing a major resource for a wide range of activities; educational, recreational healthy, social, concerts and sporting events
